Copy of letter dated 7th February 1936, from Mr.Nagarmat Rama Rao, ~~x~~ Bombay, to the District Medical Officer, South Kanara, Mangalore.

Replying to your R.No.240-13D/35, of 24th ultimo, I beg to inform you that my acceptance of condition No.1 has been already communicated to you.

As regards consideration No.2, this cannot be agreed to, as it does not bear out the spirit of my offer of ~~x~~ 18th February last.

Going through all the correspondence passed all these 12 months on the subject I infer that there is no possibility of my proposal being acceptable to the Authorities and that the time has not yet arrived for the charitable institution coming into being.

I am thus constrained to withdraw my offer of 18th February last and the matter is now closed.

Begging to be excused for the trouble incurred.

The contribution will have to be dealt with as indicated in rule 2 of para 470 of the Madras P.W. Account code i.e. it should be divided, for accounts purposes, into 2 parts one representing a share of work expenditure and the other the usual percentage worked out to cover charges for establishment, tools & plant etc; and the

actual works expenditure and the cartage charges thereon should be charged to their respective shares. The shares will be Rs 1732 for works expenditure and Rs 268 for cartages. Since the latter amount of Rs 268 is taken away from the estimated works expenditure of Rs 4500, the Govt will have to provide that amount. The Govt share will therefore be Rs 2768 or Rs 2800 roundly. The C.E. may perhaps be told that on receipt of the contribution, he may arrange for the provision of funds towards the Govt share of Rs 2800 and for the execution of the work. L.S.G. may be requested to add to the draft accordingly. The draft may be otherwise accepted.

268 = 15½ % of 1732

2500 + 268 = 2768

The file may be passed on to Finance.

The L.S.G. dept propose to issue orders to take up the Construction of the maternity ward, and to meet the additional amount required from the lump sum provision for minor works ~~[illegible]~~ of the Med. dept and to ask the S.G. to submit proposals for additional Staff and other recurring expenditure on the Completion of the ward. When the S.G.'s proposals in regard to the above are received, the L.S.G. dept propose to treat it as a Part II scheme. Since the approximate recurring extra expenditure are known already and as the Construction of the ward will necessarily lead to such recurring expenditure ultimately, it would seem that the entire proposal

should ordinarily be brought forward as a Part II scheme. If, however, the L.S.G. Dept. consider that the donor is likely to withdraw his offer if the matter is postponed as above, this dept may agree to the acceptance of the proposals of L.S.G., subject to a report being made to the Finance Committee on the entire scheme

The S. G. has reported that a native of Puttur wishes to donate Rs 2,000 towards the construction of a maternity ward attached to the Govt Hospital at Puttur and has recommended that the generous offer may be accepted. The proposed maternity ward is estimated to cost Rs 4,500. The Govt accepts the offer and desires to convey to the donor the Govt's appreciation of this offer of Rs 2000 for the above purpose. The ward should be constructed

Constructed according to the designs approved by the D.M.O & the Executive Engineer, South Kanara on the site selected by the S.J. The ward on completion should be named "Beltangady Sitaramayya maternity ward" and should be handed over to Govt. It will then become their absolute property. The balance of the amount required for completing the ward should be met from the lump sum provision for minor works Medical. The acceptance of the offer places no obligation on the part of Govt to maintain the ward. They will however maintain it so long as the financial position admits of such maintenance
